HOSES, TUBING AND FITTINGS

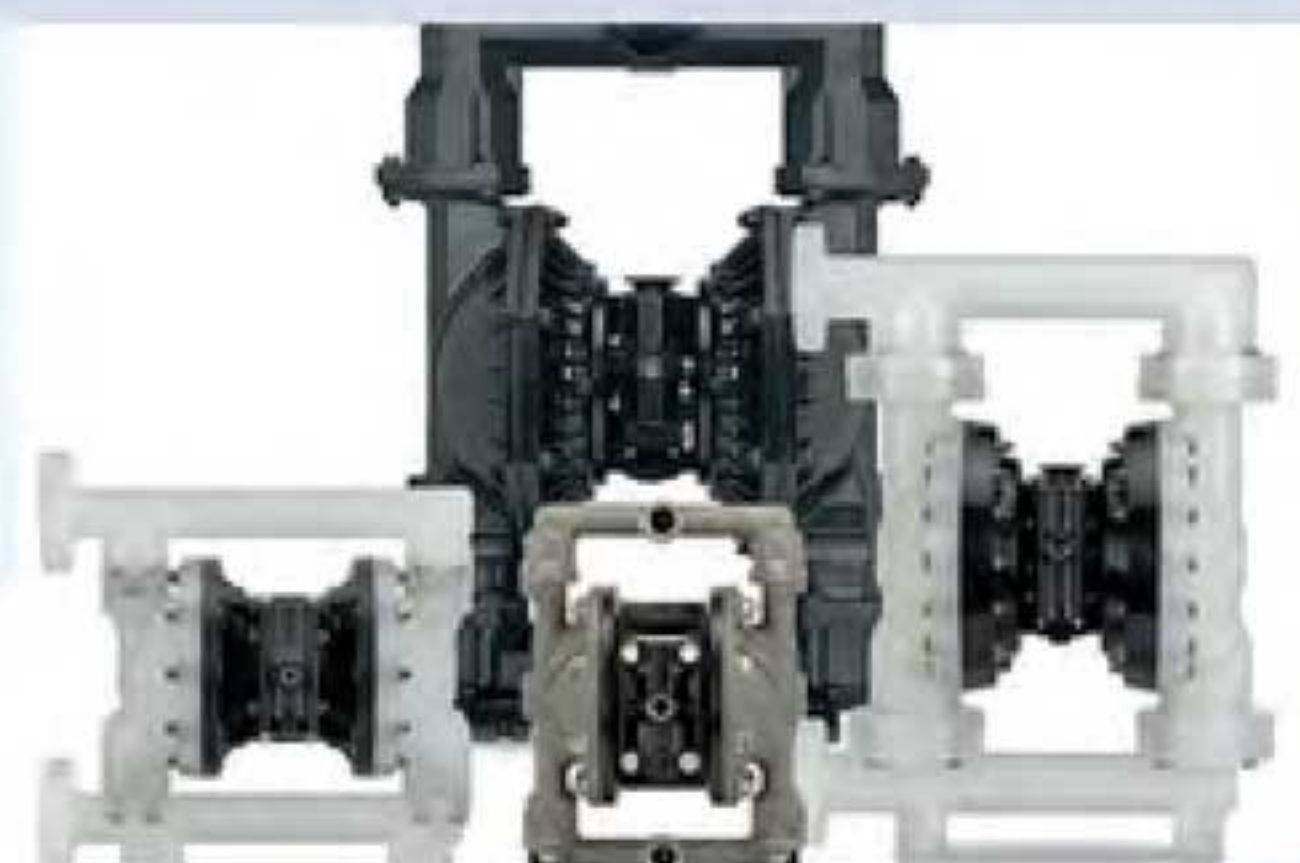

-Flexible Hoses -Rigid Tubings -Food and Beverage Hoses -Quick Disconnect Fittings -Tubings in PTFE, FEP & PFA
-Stainless Steel Fittings -Spool Tubings with Stainless Steel Outer Reinforcement

TANKS, ACCESSORIES AND FABRICATION

-Fabrication of Tanks in Polypropylene, PVDF, PVC, CPVC, Stainless Steel, Titanium, Carbon Steel -Fabrication of Ducting in PVC, CPVC, Polypropylene -Bulk Storage Tanks -Secondary Containment for Tanks and Drums -Electric, Pneumatic and Mechanical Mixing Systems -Serpentine and Grid Coil Fabrication in Titanium, Stainless Steel, Zirconium, Tantalum, PVDF, PE -Grating in FRP -Plastic Welding Equipment -Anode Baskets in Stainless Steel and Titanium -Flexible Liners in PVC and Polypropylene

PUMPING SYSTEMS

-Magnet Driven Pumps -Chemical Dosing Pumps -Horizontal Centrifugal Pumps -Vertical Centrifugal Pumps
-Drum Pumps -Double Diaphragm Pumps -Multi-Stage Pumps -Peristaltic Pumps -Gear Reducers

FILTER SYSTEMS

-Disc Filter Systems -Bag Filter Systems -Cartridge Filter Systems -Filter Housings & Baskets -Carbon Filter Systems
-Anode Bags -Baskets for Anodes -Activated Carbon -Multimedia Filters -Filter Press -Membranes for Reverse
Osmosis Systems -Ultraviolet Systems -Basket Strainers

VALVES AND ACTUATORS

-Ball Valves -Butterfly Valves -Gate Valves -Diaphragm Valves -Check Valves -Solenoid Valves -Basket Strainers
-Pressure Regulating Valves -Pressure Relief Valves -Electric and Pneumatic Actuated Valves
-Gauge Guards and Pressure Gauges

PIPE AND FITTINGS

-PVC, CPVC, PVDF, Polypropylene, Teflon -High Purity Piping Systems -Clear PVC Piping Systems
-Ducting in PVC, CPVC and PP -Double Containment Piping Systems

CONTROL SYSTEMS

-Rectifiers -Heating Systems -Agitation Systems -Scrubbers -Control Panels -Ultraviolet Systems

INSTRUMENTATION

-Digital and Analog Meters -Flow Meters -pH & ORP -Conductivity -Turbidity
-Pressure -Temperature -Salinity -Dissolved Oxygen -Level -Digital and Analog
Chart Recorders -In-line Rotameters -Panelmount Rotameters
-Portable Meters -Pressure Gauges -Rectifiers
